Issue No 33 - March 2024 Reg Charity 238470

The Committee have been increasingly worried about the state of some of the buildings and certain areas of the town. To this end they have been compiling a list of some of the worst offenders, and have called them 'The Malificent Seven'. The aim is to make the Town Council and Westmorland and Furness Council aware of the problem with a hope of finding solutions.

‘THE MALIFICENT SEVEN’

The 'Bridge Inn' which has been in disrepair for some years now!

Graffiti on the wall fronting the river at Beezon Fields!

The Old Sawyers Arms which had been falling down for years and was suddenly was pulled down overnight! How long is it going to be a pile of rubbish?

The deteriorating frontage of the Beijing Palace!

Serpentine Cottage in desparate need of repair!

The riverside frontage of the old K Village which unattractive and is gradually deteriorating!

The old 'Webster' Chapel in Castle Street Cemetery!
